

Introduction: Advancing Leadership in Informal STEM Learning

## Reflections About the *Pushing the Limits* Programming Experience

1. What was especially satisfying to you about planning and implementing the program series?
  
  
  
  
  
  
  
  
  
  
2. What did you find frustrating about planning and implementing the program series?
  
  
  
  
  
  
  
  
  
  
3. One thing I would like to improve upon is ...
  
  
  
  
  
  
  
  
  
  
4. In what ways have you gotten better at this kind of programming?
  
  
  
  
  
  
  
  
  
  
5. What did you learn as you worked on this program initiative ...
  - About yourself?
  
  
  
  
  
  
  
  
  
  
  - About your library?
  
  
  
  
  
  
  
  
  
  
  - About your community?
