

UNIT 1: Adult STEM Programs in Your Library
Rural Gateways at My Library

Please provide brief responses to the questions below. We'll use these questions as the basis for our first community of practice discussion and as a way to get to know one another.

1. When you first learned about the *Rural Gateways* project, what were your initial thoughts or reactions? Briefly note 2-3 thoughts/reactions.

2. What are 2-3 reasons you decided to participate in the project?

3. What excites you most about the project?

4. What opportunities does the project offer your library?

5. What opportunities does the project offer your community?

6. What opportunities does the project offer you?

7. What challenges (if any) do you think you might encounter as you participate in the program?
